MARSHALL

Board Announcement

Marshall of Cambridge (Holdings) Ltd
("Marshall" or the "Group")

Completion of Advanced Composites Disposal

30th June 2025

Marshall today announced the completion of the sale of its subsidiary, Slingsby Advanced Composites Ltd., to Mangohojden AB formerly known as Goldcup 101485 AB, a privately held Swedish company developing a group of specialist aerospace and defence businesses. Marshall Group wish the team at Slingsby every success for the future.

Approval for completion was granted after reaching the threshold of voting shareholders in favour of the disposal.

The disposal was transacted preserving all the jobs in Slingsby Advanced Composites Ltd. This marks the next successful step in the delivery of the Marshall portfolio review.
