Submitting orders on Asset Match

To buy and sell shares in this company via Asset Match Private Market, you will need to use a stockbroker.

If you are a UK resident, our main broker and settlement agent for all CREST eligible companies on the AM Private Market is shareDeal active.

shareDeal active provide a competitively priced service for both certificated and non-certificated transactions. You can open an account [online](#) or by post using the [form](#) provided.

Alternatively, if you already have an account with shareDeal active and wish to place an order please contact the Dealing desk directly on 01892 510515 or deal online.

To sell a share certificate, the easiest way to trade is to set up a shareDeal active account online and once open post your share certificate with a completed [CREST transfer form](#). Alternatively, you can open an account by post using the [Asset Match Certificated Sale Pack](#) which includes everything you will need.
