Submitting orders on Asset Match

To buy and sell shares in companies trading on the Asset Match Private Market, you will need to use a stockbroker.

If you are a UK resident, our main broker and settlement agent for all CREST eligible companies on the AM Private Market is shareDeal active.

shareDeal active provide a competitively priced service for both certificated and non-certificated transactions. You can open an account [online](#) or by post using the [form](#) provided.

Alternatively, if you already have an account with shareDeal active and wish to place an order please contact the Dealing desk directly on 01892 510515 or deal online.

To sell a share certificate, the easiest way to trade is to set up a shareDeal active account online and once open post your share certificate with a completed [CREST transfer form](#). Alternatively, you can open an account by post using the [Asset Match Certificated Sale Pack](#) which includes everything you will need.

It generally takes 5-7 days for your account to be open and shares available for trading.

Please note that not all brokers are able to deal in unquoted shares. You can use our list of brokers below to confirm if they are set up or contact us to confirm whether your broker is able to trade.

If you have specific requirements or are uncertain, then please contact us directly.
